From Frank Watson

As we travel towards the end of winter in a couple of weeks time, we are also travelling towards the Cross as Lent starts this coming week, on Ash Wednesday. This idea of travelling or journeying is very much on my heart at this present time as I begin the discernment process to possible ordination. As part of this journey I have begun to get to know some of you around the mission community as I share in worship with you, and I very much hope to get to know even more of you over the next year or so. In Lent we are invited to observe the season with self-examination and repentance, with prayer, fasting, and self-denial, by reading and meditating on God's holy word. These disciplines are sometimes hard to do as we struggle to find time in our busy lives, but Lent is an opportunity for us to practise. So as we watch the spring flowers slowly start to grow, I pray that our own spiritual journeys will also grow this Lenten Season.

Blessings, Frank

Please send Tricia (as an attachment) any posters for your church events for circulation and loading on the website. email: hartlandcoastparishes@gmail.com

Afterwards, it would be lovely to see some photos, which I can put up on the website. <https://www.hartlandcoastparishes.org/photo-gallery>

As ever, if you are sending me photos, PLEASE send them as .jpg or .png attachments for me to download, as it takes so much time to unravel them otherwise and this format is suitable for loading directly to the website without my having to play with them! Thank you, Tricia
