The Churches in Parkham (Methodist & St James) are delighted to host the annual 2026 Plough Service organised by the Devon Branch of the Charity FCN (Farming Community Network) on Sunday 25<sup>th</sup> January 2026. This event will take place outside of a Church building – in a barn at Melbury Farm, Parkham, EX39 5PP. Local contacts for this event are Rev Andrew Vidamour, Rev Jane Skinner, Frank Watson, Lorna Thomas and Sarah Badham.

From Jane Skinner

It must be the anti-climax of taking down decorations but suddenly feel tired. The nativity scenes are still around with the shepherds leaping off into the distance and the magi are now in attendance. Perhaps I feel weary at starting again the process of polishing the Parish Profile and adverts going out in the hope of attracting our next Team Vicar. Paper needs filing and the 'To Do' list is long. But this is the very moment to chose to shake off winter blues and decide to leap with a shepherd! We are living in the company of God who became human, we bare the divine imprint and are messengers of this Good News. What a privilege and joy. Yes, there are important challenges ahead but it's not God's intention that the buildings should overwhelm and we are here to work together and spread the love of Jesus around. I'll just leap off and follow the shepherds' example. Happy New Year. *Jane*

P.S. Thanks to everyone involved over the Christmas season - amazing services and events across the Mission Community were enjoyed by so many. For those who came and received, please tell of the memorable experiences, keep in touch with what was spiritually valuable and consider being involved in 2026! *Jane*

*Please send Tricia (as an attachment) any posters for your church events for circulation and loading on the website. email: [hartlandcoastparishes@gmail.com](mailto:hartlandcoastparishes@gmail.com)*

*Afterwards, it would be lovely to see some photos, which I can put up on the website. <https://www.hartlandcoastparishes.org/photo-gallery>*

As ever, if you are sending me photos, PLEASE send them as .jpg or .png attachments for me to download, as it takes so much time to unravel them otherwise and this format is suitable for loading directly to the website without my having to play with them! Thank you, Tricia
