From Jane Skinner

Met with Revd. Rosie Austin today who is the new Rural Officer for the Diocese. With just two days a week for the role, Rosie is thinking through her priorities and how to support rural parishes effectively. Because of being part of a multi-parish Mission Community, Rosie wanted my views and support in a small steering group which will meet a (very) few times a year. We spoke about making things simpler, like straightforward building jobs being given permission to proceed with local knowledge and builders and having teams of people to deliver training locally as we've valued with Safeguarding. I wonder if you have any ideas about how else parishes can be further equipped and supported. P.S. Rosie isn't Wonder Woman but does hope to make a difference in the limited time she has! Let me know your ideas. *Jane*

THE CHOSEN - Having used this programme as our Lent Course in Woolsery this year we are going to look at the second series beginning on Wednesday September 11th, 7pm in Woolsery Chapel and warmly invite anyone who would like to join us. This will continue on Wednesdays for another 5 weeks. This is a very thought-provoking presentation of Jesus' life, ministry and the times he lived in and I thoroughly recommend it.
