From Jane Skinner

At this time of year it seems as if all my insurance policies need renewing (house and travel) and the cars need MOTs and servicing. What an expensive period! But how many people do we know that haven't thought about their own life insurance in any other way than as a policy underwritten by an Insurance Company which you hope is reliable and will make life easy if you need to make a claim. Actually, this is an insurance I have never taken out. I think it's because I am trusting God with my eternal destiny, just hoping it doesn't hurt too much to arrive! But I am secure in the belief that my life is in Jesus Christ and His life in me sustaining me daily. I've accepted Jesus' question and invitation "I am the resurrection and the life. Those who believe in me, even though they die, will live, and everyone who lives and believes in me will never die. Do you believe this?" John 11:25. Check out this is an offer you have consciously accepted and ask those you care about if that they have too. If you want to talk about this, do get in touch with myself or any of the Ministry Team. *Jane*

Please send Tricia (as an attachment) any posters for your church events for circulation and loading on the website. email: hartlandcoastparishes@gmail.com

Afterwards, it would be lovely to see some photos, which I can put up on the website.

As ever, if you are sending me photos, PLEASE end them as .jpg or .png attachments for me to download, as it takes so much time to unravel them otherwise and this format is suitable for loading directly to the website without my having to rplay with them! Thank you, Tricia
