From Jane Skinner

I've been listening to some music by a couple who I heard at Lee Abbey in April 2025. Part of the conference I attended on Pilgrimage, the songs by Nigel Cameron and Julie Cameron-Hall were so inspiring. They both sing and Julie played violin and Nigel had the most amazing array of pipes, drums and other percussion. Together they are called 'Sounds of Wonder' and much of their composition is inspired by Lindisfarne, seascapes and Celtic saints - I have 'Celtish Home' and 'Celtish Journey' and you can find more at www.celtish.org Have an explore and perhaps you'll come across some music to lift your spirits and inspire during grey days. Let others know your recommendations. Please pray for our parish reps as we look at the Parish Profile and get ready to advertise for a Team Vicar. Hope you've been inspired by some of the thoughts and prayers during the Week of Prayer for Christian Unity. Thank you Armenia Apostolic Church. Jane

Please send Tricia (as an attachment) any posters for your church events for circulation and loading on the website. email: hartlandcoastparishes@gmail.com

 *Afterwards, it would be lovely to see some photos, which I can put up on the website.*

As ever, if you are sending me photos, PLEASE send them as .jpg or .png attachments for me to download, as it takes so much time to unravel them otherwise and this format is suitable for loading directly to the website without my having to play with them! Thank you, Tricia
